Chase Shiel is a renowned Melbourne based custom sneaker artist whose work stands out in creativity and handcrafted excellence. Inspired by Glenfiddich Grand Yozakura 29-Year-Old whisky's finishing method and paying homage to Japanese culture, these custom-made sneakers are decorated with over \$7,000 worth of 100% Australian Gold, from ABC Bullion, global leader in precious metals and bullion.

Glenfiddich Grand Yozakura 29-Year-Old whisky is a limited-edition release; a first of its kind Scotch single malt that is finished in rare ex-Awamori casks from Japan.
